

## **WPA Frequent Player's Program**

The WPA Frequent Player's program was created several years ago to encourage participation in WPA and NCGA tournaments and to give something back to the membership.

At select tournaments throughout the year, raffles are held for all entrants in addition to the prize payouts for winners. These raffles have been well received by members who realized that if they did not place in an event, they could still take home a very nice prize.

This December we will host an 18-hole fun tournament for WPA members and their families. Following the tournament is a gala Christmas banquet and party. The highlights of the evening are two raffles featuring thousands of dollars in prizes!

For each tournament a member has entered, he or she receives one ticket for the general raffle. Needless to say, the more events you attend, the greater your odds of scoring a raffle prize.

Members who supported our club by attending eight or more events receive a separate ticket used in the "Frequent Player's drawing." This exclusive drawing features the night's top prizes and the grand prize...*a Wildhawk Golf Course player's pass for the following year!*

When the dinner and raffle are over, the party moves next door to the pro shop's annual Christmas blow out sale with tremendous savings for all! We are very grateful to the course for supporting our raffle and the opportunity to save big \$\$\$ during the holiday season.

The WPA Frequent Player's program is just one of the many good reasons for joining the WPA and participating in our tournaments. Come out and enjoy some golf with your fellow members, have a great time at the Christmas party and reap the benefits of the Frequent Player's Program!
