

MODIFIED CHAPMAN

8:04 Shotgun Start

Entry Deadline 08/05/2018

Event Date 08/11/2018

Format:

This is a two-person, handicapped Modified Chapman Tournament. Both players on a team hit tee shots, and then play second shots using their partner's tee shot location. After both players' second shots, the team must select one ball location from which to complete the hole using alternate shot format. If Player "A" last hit the selected ball, Player "B" shall play first in the alternation. Alternate shot continues until the ball is holed out. (You may play with your own golf ball, instead of your partner's golf ball, by placing it within one club HEAD width, no nearer the hole except on the green where it will be played where it was marked.)

Rules & Ball Placement:

USGA rules apply.

Handicapping:

Individual handicaps are computed to provide a single team handicap by using 70% of lower course handicap added to 30% of higher course handicap. This "Team" handicap is subtracted from the gross score to produce a net score.

Tees:

1st and 2nd Flights will play from the blue tees. The 3rd Flight will play from the white tees. The ladies will play from the green tees. This will depend on how many players sign up to play.

Scoring:

Teams within a foursome shall exchange their scorecards and they shall record and attest to the opposing team's "gross" score of each hole. At the completion of your round, please turn in your signed scorecards to the scoring table.

Additional Information:

The number of players will determine the number of flights and the number and amount of prizes.
